## A pearl of Mekong Delta

Only 120 km South-West from Ho Chi Minh and 3 hours of drive, we'll escape totally from the bustling city to another world: a world of water and lush vegetation, a world that people have a relaxed and happy life.

Cai Be is the typical image of Mekong Delta: floating market, orchards of tropical fruits, paddy rice of extended view, handicraft villages...and Mekong Lodge is hidden among the many gardens of mango, longan, rambutan, durian trees.

To reach Mekong Lodge, the only way is by boat as it is situated in an island and lays just beside the Tien River, but never mind, boat is the most popular means of transport for local people to move from one place to other.

Mekong Lodge includes 30 private pretty Bungalows and a River View Restaurant, stretched in an area of more than 12.000 m<sup>2</sup>.

Our ideas are since long time and our dream come true in November 2010. Mekong Lodge is now available to welcome travelers who are looking for the real discovery of Mekong Delta.

*Mekong Lodge is the only Eco-resort in Mekong Delta at the moment !*

## What are the Style and the Comfort?

All the material to build Mekong Lodge is collected from local areas, the style is inspired from the traditional housing and its architecture's spirit is attached mainly to local culture.
